New Business:

Scott Beard attended the shoot on February 25, 2007. He commented on the course and remarked that it is great. He noted the bridge was a bit slippery and needs some attention. Scott also questioned the possibility of some different types of targets and scoring system.

Range Captain Steve Whitehurst presented the group with some price quotes for various Rhinehart targets (targets are seconds). A 30 pt. buck without antlers reg. price \$453.00 / sale price is \$385.00. The 10 pt. buck reg. price \$430.00 / sale price is \$370.00.

Some of the existing targets need some work. (i.e. repair legs on targets) Steve Whitehurst placed an insert in the wolverine target.

Gary Sumpter made a motion to purchase one (1) 30 pt. buck (\$385), (1) 10 pt. deer (\$370) and an insert for the panther (appx. \$65.00) = \$820.00 + tax + shipping and handling = Total of \$950.00 or less. Scott Beard seconded the motion. All were in favor. Motion carried.

President Eggertsen reviewed a list of Resolutions which includes but is not limited to: No alcohol allowed on the archery grounds, no paint ball guns or play allowed on the grounds, no firearms or hunting permitted. Scott Beard made a motion for a Resolution to read: - Note that the Menard Archers membership does not include hunting rights on said property. Jeff Jiannoni seconded the motion. All were in favor. Motion carried.

A taped broadcast featuring Jared Williams recently aired on the PBS television station / Adventure Sports in which he shot 2 deer while bow hunting.
